# THE 4TH ACNS EDUCATIONAL COURSE FOR NEUROSURGEONS

## Professor Yoko Kato

President, Asian Congress of Neurological Surgeons (ACNS)  
Chair, education and training committee, WFNS  
Prof. at Dept. of Neurosurgery, Fujita Health University  
Teaches Vascular surgery

## Professor Albert Sufianov

Chief Physician and Medical Director,  
Federal Centre of Neurosurgery (Tyumen), Russia.  
Professor and Chairman,  
Department of Neurosurgery  
Tyumen State Medical Academy

present

## Day 1. October 16<sup>th</sup> (Thursday)

### LECTURES:

- Keyhole concept to treat cerebral aneurysm and skull base tumor.
- Anatomy of carotid triangle for Safety CEA
- Bypass surgery
- Types of cerebral aneurysm surgery
- Endovascular coiling of intracranial aneurysms
- 3D LIVE SURGERY** (vascular surgery)

**ENDOVASCULAR LABORATORY:** Workshop in Endovascular Techniques (on models)

**MICROVASCULAR LABORATORY:** Microanastomosis Hands-on workshop

## Day 2. October 17<sup>th</sup> (Friday)

### LECTURES:

- Gliomas. Are we doing enough?
- Keyhole transsylviantransinsular approach for hypertensive putaminal hematomas
- Updates and surgical technique of Cisternostomy
- Surgical approaches to the jugular foramen
- Optimally invasive skull base surgery
- Skull Base
- Transpetrosal approach
- 3D LIVE SURGERY** (CEA surgery)

**CADAVER LABORATORY:** Hands-on Workshop in Skull base Approach – Combined transpetrosal approach

**MICROVASCULAR LABORATORY:** Microanastomosis Hands-on workshop

## Day 3. October 18<sup>th</sup> (Saturday)

### LECTURES:

- Pituitary and skull base –basic anatomy and clinical presentations
- Extended Endonasal Endoscopic approach to the clival and paraclival regions
- Importance of early optic canal decompression to achieve the best visual outcome in anterior cranial base meningiomas
- Transventricular Endoscopic Surgery
- Endoscopic skull base surgery-cadaver anatomy and clinical presentation
- Value of the endoscope in endoscopic-assisted microvascular decompression in trigeminal neuralgia and hemifacial spasm
- Pituitary, Clivus and beyond
- 3D LIVE SURGERY**

**CADAVER LABORATORY:** Hands-on Workshop in Transnasal Endoscopic Approach

**MICROVASCULAR LABORATORY:** Microanastomosis Hands-on workshop

## The 4th ACNS Educational Course for Neurosurgeons

### Professor Iype Cherian

Professor and Head, Department of Neurosurgery,  
Counselor General, ACNS  
COMS Bharatpur, Nepal.  
Teaches the technique of Cisternostomy for trauma , vascular surgery  
and skull base

### Professor Keki Turel

Professor of Neurosurgery, Bombay Hospital Institute of Medical Sciences  
Consultant Neurosurgeon  
Prof and Ex-Head, Dept of Neurosurgery,  
Mumbai, INDIA

### Dr. Tetsuro Sameshima

Associate Professor  
Board Certified Neurosurgeon  
Councilor of Japanese Society for Skull Base Surgery  
Department of Neurosurgery, Hamamatsu University School of Medicine,  
University Hospital, Hamamatsu, Japan  
Interests: Skull Base Surgery

### Dr. Soichi Oya

Associate professor, Department of Neurosurgery  
Saitama Medical School/Center (Japan)

### Professor Kentaro Mori

Professor and Chairman of the Department of Neurosurgery  
National Defense Medical College  
Saitama, Japan

### Professor Naokatsu Saeki

Professor and chairman  
Neurological surgery Chiba Graduate School of Medicine

### Dr. Kojiro Wada

Associate Professor  
Department of Neurosurgery for the National Defense Medical College  
Saitama, Japan

### Professor Manfred Tschabitscher

Professor of Anatomy and Director, Microsurgical and Endoscopic  
Study Group of the Center of Anatomy and Cell Biology  
Medical University of Vienna, Austria

# Uniting Nations

# Extending Boundaries

### Dr. Katsumi Takizawa

Director of Department of Neurosurgery, Japanese Red Cross Asahikawa Hospital  
, Japan  
Clinical instruction Professor,  
Asahikawa Medical University

### Dr. Mahmoud Messerer

Department of Neurosurgery  
Skull base Unit, University Hospital of Lausanne (CHUV)  
Switzerland

### Dr. Jorg Baldauf

Senior Doctor, Department of Neurosurgery  
Ernst-Moritz-Arndt Universität  
Greifswald, Germany

### Professor Yuanli Zhao

Director and Professor  
Department of Neurosurgery, Beijing Tiantan Hospital  
Capital Medical University

### Professor Luis Alencar B Borba

Professor and chairman  
Federal University of Paraná  
Curitiba, Paraná Brazil

### Dr. Yi Guo

Deputy director, Department of Neurosurgery  
Affiliated Hospital of Hebei University  
Baoding, 071000  
Hebei Province, P.R. China

### Professor Roy Thomas Daniel

Professor and Vice Chairman of Neurosurgery; Head of Skull base,  
Vascular and Pediatric Neurosurgery  
University Hospital of Lausanne (CHUV), Switzerland

### Professor Naoya Kuwayama

Division of Neuroendovascular Therapy  
Associate Professor, Department of Neurosurgery  
University of Toyama

16-18 October, 2014 (Tyumen)
